4. For the purpose of calculating the amount in dispute, the value of any counterclaim and/or set-off will be added to the amount of the claim.
5. Where a claim or counterclaim does not state a monetary amount, an appropriate value for the claim or counterclaim shall be determined by the Director of the Centre in consultation with the arbitral tribunal and the parties for the purpose of computing the arbitrator's fees and the administrative costs.
6. Pursuant to Article 19 Rule 1 and 2 above and from time to time thereafter, the Director of the Centre shall notify and require the parties to provide a deposit each or further supplementary deposits towards the applicable fees and administrative costs. The parties shall within 14 days of receipt of such requests pay such deposits directly to the Centre, providing that at no time shall the Centre request for deposits which collectively surpass the fees applicable.

**Article 20*****Deposits and Payment***

1. The Director may apply the deposits towards the fees and expenses of the arbitral tribunal and the Centre's administrative costs in such manner and at such times as the Director thinks fit. Any interest which may accrue on such deposits shall be retained by the Centre.
2. If any party fails or refuses to pay its portion of the deposit or supplementary deposit as requested, the Centre shall so inform the parties in order that any other party may make the requested payment. If such a payment is then not made by the other party within 14 days of being informed by the Centre (and if no payment has been forthcoming from the defaulting party), the arbitral tribunal may at his exclusive discretion either:
  - a) Proceed with the arbitration and the hearings and exercise a lien over the award until all payments of any outstanding deposit or supplementary deposit has been paid by the defaulting party or by any other party; or
  - b) Suspend or terminate the arbitration proceedings or any part thereof until and unless all deposits requested has been paid by the defaulting party or by any other party.
3. Upon any award being published, the arbitral tribunal shall submit 5 sealed copies of the award with the Centre and notify the parties that either party may take up the award upon full settlement of the cost of the award to the Centre.

4. In the event of a mutual settlement of issues or disputes between the parties before the award is made, the parties shall be jointly and severally responsible to pay to the arbitral tribunal any outstanding sums towards the applicable fees including if any deposits paid prior to the mutual settlement, if any, are found to be insufficient to cover the applicable fees. This rule applies irrespective of whether or not a consent award is required to be made or delivered.
5. If the whole arbitration or any issue is settled at the pre-hearing stage reducing the quantum claimed then the fee applicable is to be recalculated on the new quantum and 40% of the difference between the new applicable fees and the previous applicable fees becomes payable within 14 days. If the settlement occurs during the hearing or after the hearing but before the award, 80% of the applicable fee is payable or if an issue is settled reducing the quantum claimed then 80% of the difference between the new applicable fees and the previous applicable fees becomes payable within 14 days.
6. The parties shall remain jointly and severally liable to the Centre and the arbitral tribunal for payment of all fees and expenses until they have been paid in full even if the arbitration is abandoned, suspended or concluded, by agreement or otherwise before the final award is made.

**Article 21*****Correction of the Award***

1. Within 14 days of receipt of an award, any party upon written notice to the others may request the arbitral tribunal to correct any errors of computation, any clerical or typographical errors, slips or omissions in the award and the arbitral tribunal may within 14 days of receipt of the request make such corrections to the award. This does not prevent the arbitral tribunal of his or her own volition from making such limited corrections to the award within 21 days of the delivery of the award to the parties (or any party as the case may be). All corrections to the award shall be in writing and shall form part of the award.

### ***KLRCA Fast Track Model Arbitration Clause***

To ensure that the parties' intention to arbitrate using the KLRCA Fast Track Arbitration Rules is fulfilled, KLRCA recommends the following Model Arbitration Clause:

*“Any dispute, controversy or claim arising out of or relating to this contract, or the breach, termination or invalidity thereof shall be settled by arbitration in accordance with the KLRCA Fast Track Arbitration Rules.”*

### ***Form of Agreement***

Parties wishing to substitute an existing arbitration clause for one referring the dispute to arbitration under the KLRCA Fast Track Arbitration Rules may adopt the following form of agreement:

*“The parties hereby agree that the dispute arising out of the contract dated [insert date of contract] shall be settled by arbitration under the KLRCA Fast Track Arbitration Rules.”*

This form may also be used where a contract does not contain an arbitration clause and the parties wish to have an ad hoc submission to arbitration.

*Part III*

GUIDE TO KLRCA  
FAST TRACK  
ARBITRATION  
RULES

---

## **1. What are the KLRCA Fast Track Arbitration Rules?**

The KLRCA Fast Track Arbitration Rules are designed for parties who wish to obtain an award in the fastest way with minimal costs. The Rules provide that arbitration (with a substantive oral hearing) must be completed within a maximum of 160 days and tried before a sole arbitrator (unless parties prefer a larger panel). The Rules also caps the tribunal's fees and recoverable costs to a fixed scale. Other attractive features also include tighter obligations for disclosure so as to avoid surprises and controlled usage of expert evidence to ensure that the parties and tribunal are focused only on specific issues.

## **2. Where can I find the KLRCA Fast Track Arbitration Rules model clause?**

One of the essential requirements for dispute resolution through arbitration is the existence of an arbitration agreement between the parties. An arbitration agreement must be in the form of an arbitration clause in an agreement or in the form of a supplementary agreement.

KLRCA's Fast Track Arbitration Rules model clause, which is recognisable and enforceable internationally, is as follows:

*"Any dispute, controversy or claim arising out of or relating to this contract, or the breach, termination or invalidity thereof shall be settled by arbitration in accordance with the KLRCA Fast Track Arbitration Rules."*

Any party who wants to substitute an existing arbitration clause for one referring the dispute to arbitration under the KLRCA Fast Track Arbitration Rules may adopt the following form of agreement:

“The parties hereby agree that the dispute arising out of the contract dated [insert date of contract] shall be settled by arbitration under the KLRCA Fast Track Arbitration Rules.”

This form may also be used where a contract does not contain an arbitration clause and parties wish to have an ad hoc submission to arbitration.

### **3. *Is there a difference between the KLRCA Fast Track Arbitration Rules and the KLRCA Arbitration Rules?***

Yes, there are several areas which differ:

#### **Number of Arbitrators**

Unless the parties agree otherwise, an arbitration conducted under KLRCA Arbitration Rules is heard by a panel of 3 arbitrators whereas arbitration under the KLRCA Fast Track Arbitration Rules will be conducted by a sole arbitrator (cf. Article 4).

#### **Documents-only Hearing**

Under the KLRCA Fast Track Arbitration Rules, claims which are less than/unlikely to exceed RM150,000.00 (in a domestic arbitration) and USD75,000.00 (in an international arbitration) shall immediately proceed as a documents-only arbitration unless a substantive oral hearing is deemed necessary by the arbitrator upon consultation with the parties.

**Time Frames**

The time frames for submission of statements, hearings and the making of awards differ. Arbitration under the KLRCA Fast Track Arbitration Rules must be completed within a maximum of 160 days whereas arbitrations under the KLRCA Arbitration Rules are estimated to take between a year (365 days) to a year and a half (547 days) to be completed.

**Costs**

Arbitration under the KLRCA Fast Track Arbitration Rules is more cost effective. Furthermore, the rules have been drafted so as to make the assessment of costs more predictable. The KLRCA Fast Track Arbitration Rules comprises a schedule of Arbitrator's Fees which arbitrators must have regard for albeit are not bound by while fixing fees. Also, the costs of arbitrations under the KLRCA Fast Track Arbitration Rules are capped. For documents-only hearings, costs must not exceed 30% of the total amount of the claim and for an arbitration with substantive oral hearing, costs must not exceed 50% of the total amount claimed. For more information on costs and fees (cf. Articles 14 and 19).

**Evidence**

In view of expediency, the KLRCA Fast Track Arbitration Rules restricts the use of expert evidence or supplementary expert evidence. In order for such evidence to be adduced as evidence, the party wishing to do so must first request for permission or leave from the arbitral tribunal within 14 days after the Statement of Reply or service/exchange of expert reports have been delivered.

**4. *What type of disputes can be resolved by arbitration under the KLRCA Fast Track Arbitration Rules?***

The majority of disputes arise out of construction, commodities, insurance, maritime, energy and commercial disputes.

**5. *What are the advantages in using the KLRCA Fast Track Arbitration Rules?***

If the arbitration clause does not mention the KLRCA Fast Track Arbitration Rules, the hearings are conducted according to existing arbitration laws and procedure. Incorporating the KLRCA Fast Track Arbitration Rules into your arbitration clause has great benefits. The Rules allow you to consolidate disputes, to avoid compelling arbitration in court, and to receive a quick award with minimal costs. You would also have the opportunity to be awarded legal fees and your share of the Panel's expenses.

**6. *How much will it cost to arbitrate under the KLRCA Fast Track Arbitration Rules?***

The arbitration fee is divided into two categories – the administrative costs and the tribunal's fee. The administrative costs are 20% of the tribunal's fees and covers KLRCA's cost of administering the arbitration.

The tribunal's fee are divided into different scales for international and domestic arbitrations.

The schedule of fees and administration costs can be found in Part II of the KLRCA Fast Track Arbitration Rules. It is reproduced as follows:

**7. *Are parties restricted to appointing arbitrators from KLRCA's panels of arbitrators when arbitrating under the KLRCA Fast Track Arbitration Rules?***

No, there are no restrictions imposed and parties are free to appoint arbitrators of their choice. However, in the event that parties cannot come to an agreement or decide (cf. Article 4), the Director of the KLRCA will then refer to KLRCA's panel of arbitrators to make a suitable appointment. KLRCA has an open panel of over 800 domestic and international arbitrators. As a pre-requisite, KLRCA requires for its panellists to obtain fellowship with CIArb. KLRCA's panellists are also veterans in various specialised industries.

**8. *How do I commence arbitration proceedings under the KLRCA Fast Track Arbitration Rules?***

Provided there is a prior agreement for reference to arbitration under the KLRCA Fast Track Arbitration Rules, parties may refer unresolved disputes to KLRCA for arbitration.

The Claimant shall be required to issue a notice in writing to the Respondent stating its intention to commence an arbitration under these Rules and a copy must be delivered to the Director.

**9. *What if is determined midway through the arbitration proceedings that the quantum of claim is more or less than the original estimation?***

If the quantum of the claim or counterclaim is more than the initial estimation, the Director will direct the Claimant or the Respondent, as the case may be, to pay the additional fees before the case may proceed. However, if the quantum of the claim or counterclaim is less than the initial estimation, the additional tribunal fees paid will be refunded to the parties upon issuance of the award, subject to the discretion of the Director.

**10. *How is the seat of arbitration determined?***

Pursuant Article 6 Rule 2 of the Rules, the seat of arbitration shall be Malaysia. The law of the arbitration under these Rules shall be the Malaysian Arbitration Act 2005 (Amendment 2011) or any statutory modification or re-enactment of the Act.

**11. *Does KLRCA have the experience and expertise to administer arbitrations in specialised sectors?***

Yes, KLRCA has vast experience in administering arbitrations in specialised industries. However, unlike other Centres, KLRCA does not think it is necessary to launch a specialised division to cater to different specialised industries. This is because the Rules were already drafted in consultation with various specialised industries for example, the maritime sector. Its rules of arbitration were tailored to govern not only ordinary commercial disputes but also specialised sectors, taking into account the nature of the industry.

In addition, KLRCA's panel consists of distinguished industry experts, ranging from the construction, energy, maritime and commercial sectors.
